

Lawfully Creative | Malik Mezzadri, aka Magic Malik, French jazz flautist extraordinaire

Malik Mezzadri, who performs under the stage name Magic Malik, tells us all about his flautist, and jazz, expertise, as one of the most productive and creative composers, and interpreters, of flute-centered musical works. Through his Fanfare XP iterations, the Magic Malik orchestra and, more recently, the Jazz Association, Malik blows everyone's mind with his crystalline flute sound, as well as his novel approach to jazz, Afrobeat and contemporary music.
