

# Cookies policy

by Crefovi - Sunday, July 08, 2018

<https://crefovi.com/privacy/cookies-policy/>

Effective date: 13 January 2019

Like most websites, we use cookies on [crefovi.com](https://crefovi.com) and related websites (“**Crefovi Sites**“). This cookies policy tells you more about our use of cookies and the choices you have.

Cookies are text files containing small amounts of information that can be downloaded to your device when you visit a website. Cookies enable us to analyse how Crefovi Sites are used and to monitor site performance so we can create the best user experience. We also use cookies to personalise language settings and to provide social media features.

In addition to the cookies used by Crefovi and our service providers, some cookies are placed by third parties such as Google (for analytics, described below) and YouTube. The YouTube cookie is set on pages that contain YouTube videos. These third party cookies are not under our control so you should check [www.youtube.com](http://www.youtube.com) for further information about their use.

By using Crefovi Sites, you agree to the use of cookies for the following purposes:

- Essential cookies: these are essential in order to enable you to move around the website and use its features, such as accessing secure areas of the website;
- Performance and analytics cookies: these include Google Analytics and they keep track of the pages that you visit and the videos and other content you access, so we can determine which content is most popular and improve the performance of our website. These cookies record only anonymous statistical data and do not collect any personal information that could identify an individual visitor;
- Functionality cookies: they remember the choices you make, such as language options or the region you are in. These cookies help to make your visit more personal and are deleted automatically when you close your browser or the session expires.

You can block or disable cookies on your device at any time by indicating this in the preferences or options menus in your browser. You can also delete the cookies that are stored on your device. However, blocking, disabling, or deleting cookies may limit your ability to view all the pages of a site or use online services that require registration. You can find more information about cookies at [www.allaboutcookies.org](http://www.allaboutcookies.org) and [www.youronlinechoices.com](http://www.youronlinechoices.com).

If you have any questions about this cookies policy, please contact our [Global data privacy officer](#).
