Crefovi is delighted to, once again, be invited as a VIP guest to the most important and widely-respected modern and contemporary art fair in the world, [Art Basel](#). We look forward to meeting face-to-face with our art and luxury clients at Art Basel 2014, this event “incontournable” for the art business and world.

Over 300 leading galleries from North America, Latin America, Europe, Asia, and Africa show work from great masters of Modern and contemporary art to the latest generation of emerging stars. Every artistic medium is represented: paintings, sculpture, installations, videos, multiples, prints, photography, and performance.

Art Basel 2014 will draw tens of thousands of visitors – collectors, gallerists, artists, curators, art enthusiasts – from across the globe who come to experience the highest quality Modern and contemporary art, including works by well-known artists and newly emerging artists.

Crefovi is an [art law firm in London and Paris](#). Crefovi's international clients are mainly involved in contemporary art, either as collectors, art galleries, museums or art foundations. Their legal needs, met by London art law firm Crefovi, range from tax issues raised by corporations' investments in art works, to the execution of wills with a large proportion of art works to be distributed to heirs.

Crefovi regularly attends, and speaks at, important art events such as the TEFAF, Art Basel & Miami Basel art fairs.

Crefovi is also an active and dedicated collector of contemporary art, maintaining and managing a corporate collection in England and France.
