

Experienced lawyers

by Crefovi - Wed, Aug 15, 2012

<https://crefovi.com/careers/experienced-lawyers/>

London law firm for creative industries Crefovi takes pride in its culture of teamwork, collegiality and a strong commitment to quality and professionalism that have helped the firm succeed since its inception.

The commitment of Crefovi

London law firm for creative industries Crefovi is strengthened by the diversity of its lawyers, paralegals and professional staff. This commitment to diversity and equal opportunity enables Crefovi to draw from

a remarkable wealth of talent to create one of Europe's leading law firms.

Achieving diversity and equal opportunity

Crefovi has been a leader in conceiving, promoting and implementing methods that ensure lawyers are hired, trained and promoted fairly and with attention to the goals of equal opportunity and diversity in the practice of law. The firm has a Diversity Committee that monitors and addresses issues relating to achievement of the firm's equal opportunity and diversity objectives, and includes representatives from the Executive, Recruiting, Associates and Training Committees, as well as the Business Development, Lawyer Development and Human Resources Departments.

What we are looking for

London law firm for creative industries Crefovi regularly seeks motivated, highly qualified lateral associates at all levels with exceptional experience and academic achievement.

Crefovi offers top-notch training and professional development programs, opportunities for involvement in firm management and a distinctive "one-firm" culture.

Crefovi is always interested in meeting talented lawyers from all sectors of the marketplace. Candidates are encouraged to contact their friends and colleagues who are associates at Crefovi for more information about opportunities at the firm. Personal introductions to lateral associate prospects provide many advantages in hiring those most qualified to meet the challenges of the firm's practice and who will make exceptional contributions to Crefovi.
