

International arbitration | London arbitration law firm Crefovi

by Crefovi - Thu, Aug 16, 2012

<https://crefovi.com/practices/litigation-dispute-resolution/international-arbitration/>

London arbitration law firm Crefovi is fully equipped to develop winning strategies for international disputes and capable of delivering seamless representation at a European level.

Among London arbitration law firm Crefovi's areas of expertise are transnational litigation, international commercial arbitration, investment treaty arbitration, public international law and enforcement of arbitral awards. The firm's lawyers are accustomed to addressing choice of law and jurisdiction, comparative law and cross-cultural issues.

London arbitration law firm Crefovi represents public and private corporations, state-owned enterprises and states themselves in major international arbitrations, mediations and lawsuits all over Europe. The firm's lawyers have significant experience in wide-ranging disputes involving: finance and corporate transactions, joint ventures, shareholder disputes, insolvency, accountants' liability, intellectual property, distribution, import and export, logistics and transport, and numerous others.

Institutional experience

London arbitration law firm Crefovi regularly handles proceedings across Europe under all of the major international arbitration rules.

Public international law

London arbitration law firm Crefovi's preeminent public international law practice focuses on foreign investments, expropriations and government concessions. Much of the firm's work involves analysis of the impact of private and public international law on international commercial transactions.

London arbitration law firm Crefovi has extensive experience, which includes: bilateral investment treaties, boundary disputes, straddling resources and joint development, international trade and sanctions, treaty negotiation and accession, state responsibility, sovereign immunity and sovereign debt.
