**When the stakes are the highest, clients turn to London litigation law firm Crefovi, and its Litigation and Dispute Resolution Practice, to represent them in enterprise-threatening litigation, wherever it may arise.**

As businesses continue to globalise, they need a litigation and arbitration team that can handle complex matters unfolding at breakneck speed and involving several practice specialties. London litigation law firm Crefovi has a Litigation & Dispute Resolution Practice, which is designed to meet that challenge.

London litigation law firm Crefovi is capable of providing clients with immediate, high-quality legal expertise anywhere in Europe.

The litigation and arbitration team of Crefovi offers clients deep experience and outstanding service across multiple industries and practices. Whether their needs are local or multi-jurisdictional, all Crefovi clients enjoy access to the footprint of a European law firm with a global network of local counsels.

The success of the Litigation & Dispute Resolution Practice is predicated on the strength of the firm's litigators, who draw upon the particularised skills of colleagues in different practice areas and locations to forge a comprehensive approach to problem solving.
