## **Crefovi at the Master innovation luxury & design**

Crefovi to teach luxury law and to provide a 3 hours' lecture to the students of the [Master innovation, luxury & design from the University Paris Est-Marnes-la-Vallee](#), on the law of luxury goods and fashion on Thursday 6 February.

Crefovi is very proud to soon be teaching fashion intellectual property law and fashion finance law to the students of the [best master in luxury management in France](#).

It's going to be exciting to interact with the students, have them complete some case studies and short exercises on enforcement of intellectual property rights in the fashion sector. Crefovi strives to contribute to the training and education of young professionals who wish to break into the luxury goods and fashion sectors.

Annabelle Gauberti, Crefovi's founding partner, is a tutor both at [HEC Luxury Certificate](#) and, now, at the Master innovation, luxury & design.

Please review this page regularly since we will publish the video of our lecture, soon after 6 February 2014.
