**London music law firm Crefovi will be attending MIDEM 2013 in Cannes, on 26 January 2013: rock it!**

# International Association of Entertainment Lawyers (IAEL), is off to MIDEM in Cannes, from 26 until 29 January 2013.

---

MIDEM is an annual event for the music industry, which was first set up in ... 1967! Music professionals from all over the world come to MIDEM to develop their business, network with professionals involved in the music industry, expand their knowledge and meet the artists and discover a new dimension of music.

London music law firm Crefovi is proud to attend MIDEM this year, and looks forward to participating to the many talks and legal events organised by the IAEL on the ground, at the Cannes Palais des Festivals and in other privatised places.

In particular, Annabelle Gauberti will attend the Meet the Lawyers' event, on Monday 28 January, between 10.00am and 11.00am, in the Networking Village (hall 01), for free one-to-one consultations to provide guidance on relevant topics ranging from copyright to contract. No need to book, just turn-up! First come, first served.
