Crefovi will also attend and animate some of the events organised by the [International association of entertainment lawyers \(iael\)](#), which is also going to be present at Midem 2014.

In particular, Crefovi's founding partner, Annabelle Gauberti, will be one of the lawyers organising the "Speed Meetings – Meet the Lawyers" event, which will be held at the Midem networking village, on level 01, on Monday 3 February between 10 am and 11 am.

[The programme put together by iael](#), for Midem this year, is extremely exciting and we encourage our readers and Midem attendees to come to these great legal seminars prepared by iael's lawyers.
