Above are listed Crefovi practices, which are divided by legal fields and subfields. Indeed, not only does Crefovi specialise in advising the media and entertainment sector at large, it also has several Crefovi practices which focus on particular areas of the law.

You can also check the creative industries for which Crefovi practices are being used, by browsing the [art, artefacts & cultural assets](#); [consumer goods & retail](#); [hospitality, gaming & leisure](#); [information technology, hardware, software & services](#); [internet & digital media](#); [life sciences](#); [media & entertainment](#) sections of this website.

Also, you can check the blogs published about Crefovi practices on [art law](#), the [law of luxury goods and fashion law](#); [music and entertainment law](#) as well as on [mergers and acquisitions, private equity and banking](#).

Lawyers of London law firm for the creative industries Crefovi also get interviewed, on a regular basis, by the media, on various legal issues which the media and entertainment sectors are facing. These interviews can be either read, or watched in the knowledge library of the law firm for the creative industries Crefovi, in the [Videos & webinars](#) and [Professional & law articles](#) sections.

Crefovi practices are based out of [London](#) and [Paris](#) and Crefovi roster of clients is very international, with a mix of British, French, German, European, US, Asian as well as Middle East customers.
