Crefovi's founding partner, [Annabelle Gauberti](#), was interviewed by [Canal Plus](#) on street art law, more specifically on the legal recourse that artists have, in case their works of street art and graffiti are stolen from the urban landscape.

Watch the interview here to learn more about street art law and urban artists' rights in particular.

Can they enforce their intellectual property rights and ownership rights on the piece of urban art which was stolen from the streets? Can they sue the "thief"? You will have answers to these questions by watching this interview!

In addition, if you want to know more about your legal rights, as a street artist, gallery owner representing some urban artists, museum or collector, don't hesitate to contact us!
